HIGHLIGHTS

- IDSRS weekly reports received from 917 out of 1546 health facilities of Khyber Pakhtunkhwa.
- In week 29, total 46134 COVID tests were conducted and the positivity rate was 3.4%. As compared to previous week (3.2%) the positivity rate has increased.
- IDSRS district teams performed duties in CoVID-19 vaccination work during Eid holidays.
- To provide a response to dengue positive case in Lund Khwar Mardan, an outbreak investigation team was constituted by DHO Mardan. During the field visit the different sites were identified as the breeding ground for dengue larva which were chemically destroyed by the team. Awareness messages were disseminated among the village and contact tracing also done.

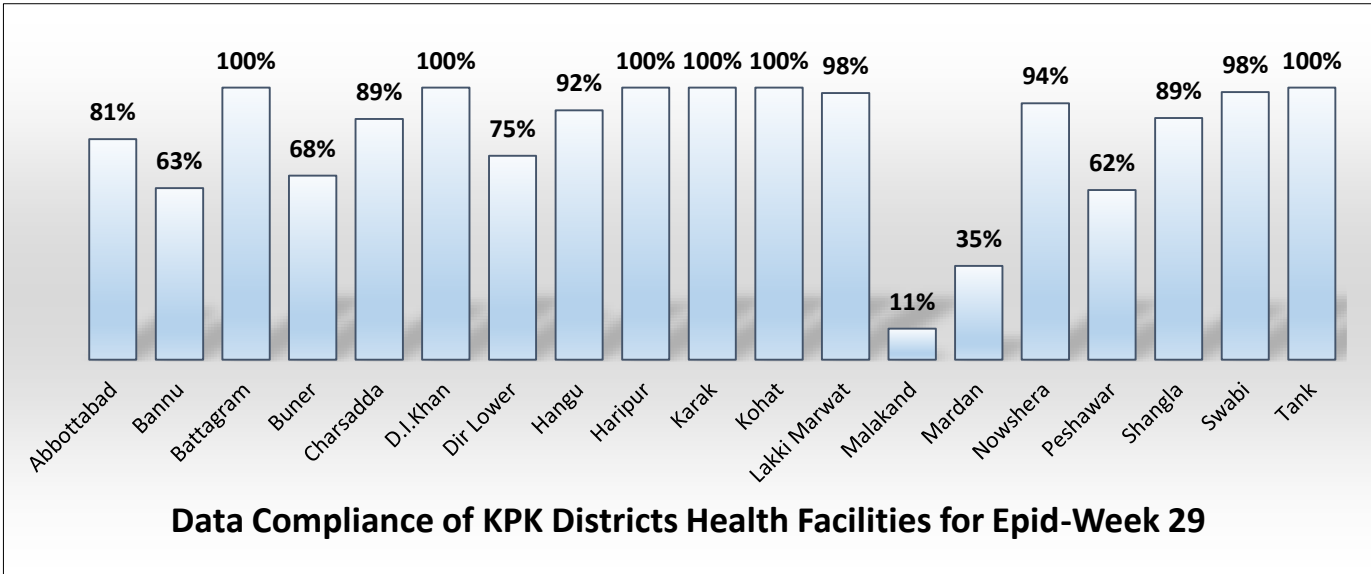

Districts	Covid-19 Deaths
Peshawar	20
Haripur	3
DIKhan	2
TOTAL	25
